Letter from Anandi Ma and Dileepji

Dear Sisters & Brothers,

We hope and pray that, under the current conditions, God’s grace and Guru’s inspiration, along with external factors in life, provide the ease and assistance to join in as many events as possible in 2012.

We always hope the worst is behind us. We have the faith that you are always trying the very best for your spiritual growth and sometimes external conditions become hurdles yet the best solution is still to remain in the spiritual realm and/or Ma’s presence. Harsh external conditions are most often the best for internal growth, if one is able to disassociate the mind from the distractions.

Times are such that the physical presence of the Guru is required to erase the karmas of the past. So besides enhancing the subtle bond with daily practice, extend that eye-to-eye contact.

We miss you and hope we can lay our eyes upon you and request the Lord to rule your heart and pull Guruji to ignite your intellect to purity and discretion.

Love and Blessings,

Ma and Bapuji

This booklet contains descriptions of retreats and workshops scheduled for 2012. Other 1-day events may not be described here but are listed on pg. 19. These events, such as Shivaratri, Kali Chant Night, Dashera, etc., are typically celebrated in Antioch, by local groups around the country and individually.

All events are subject to change. Please check our website, www.dyc.org, periodically to stay current.

**SPONSORED ANUSTHAN OF RAM MANTRA**

**June 2—10**

Suggested Donation: $108—$1008

In this anusthan, Anandi Ma and Dileepji focus intensive practices on the spiritual evolution of those whose photos are displayed by their altar. Many disciples may not be able to do such a large number of malas on a daily basis for themselves. To have this anusthan done by the Guru herself is a tremendous opportunity.

The range for suggested donations is wide so that all can participate based on their ability. Please offer your support for the Guru’s work depending on your heart’s inspiration and your individual means.

Supporting Ma and Bapuji in continuing the good works of Guruji is really important. Our American model of giving is to get something tangible in return. But our relationship to the Guru impels us to the ancient model of support without hesitation, even if what we receive in the end is something that can’t be easily spoken about or shown to friends.

As Ma and Bapuji prepare for their personal anusthans, we each have an opportunity to benefit directly and in a most unique way from their practices and at the very same time, to support the Guru’s work. What could be better than that?

A disciple in Texas

Participation is easy:
1. Make your donation by phone or by mail and email a photograph of yourself or a family member to the registrar by May 20. NO photo emailed after this date will be accepted!
2. PLEASE DO NOT SEND GROUP PHOTOS for this anusthan.
3. All sponsors will have the opportunity to participate in the sankalpa (statement of intention) for this anusthan via a conference call with Anandi Ma and Dileepji. Participation in the sankalpa is a very special gift. All will receive a special blessing.

**MAHASAMADHI RETREAT**

**August 9 —12**

Suggested Donation: $151

The days of the Mahasamadhi Retreat are filled with the love and grace of the Guru. On this 18th anniversary of Dhyanyogiji’s complete and final union with the Divine, we celebrate his life and contemplate the unfathomable impact he has had and will continue to have on each of us. The theme and practices vary each year, depending on Anandi Ma’s intuition.

**GURU PURNIMA RETREATS - East & West**

**June 22—24 Antioch, CA**  $235 / $285 if registered after June 8

**June 29—July 1 Woodbury, CT**  $235 / $285 if registered after June 15

Guru Purnima is one of the two days of the year when the energy flowing from Guru to disciple is most powerful. (The other is the Guru’s birthday.) ROUNDING OUT YOUR JAPA PRACTICE
October 27 9am—2pm
$121 / $146 if registering after Oct. 13
When Guruji met Anandi Ma, she was doing some spiritual practices without the basic purification steps. Guruji told her that had she done the purification, she would have been at a totally different level. So it is with japa or mantra repetition. Every disciple receives the Ram Mantra at the time of Shaktipat and many do japa on a daily basis. It is extremely beneficial to learn the steps of purification, including the nyas (touching parts of the body with the bija mantras) so that the absolute benefit of the japa is obtained. Ideal for those who have not attended a Vajra Panjar Retreat as well as for those who want a refresher.

WHAT’S HAPPENING AT THE CENTER IN ANTIOCH, CA

By the Grace of God and Guru, Dhyanyoga Centers—Antioch opened its doors in 2008. The Center is the one standing facility of Dhyanyoga Centers in the United States.

When Anandi Ma and Dileepji are in town, the Center is a hub of activity. Spiritual seekers arrive at the door in search of a path and a teacher. Disciples come from all over the world for darshan, to attend retreats and workshops, and to do seva (selfless service) to support the Guru’s spiritual work. Local disciples perform countless hours of seva to help maintain the property and the programs and to make sure all visitors are supported in their sadhana and well cared for while at the Center.

In 2012, we hope to see more of you! This Center must be a hub of activity even when the Guru is not physically present in order for it to sustain itself. And after all, Guruji’s murti is here always! This year, in addition to classes and workshops scheduled throughout the year, the Center will offer Personal Retreat Days, Satsang for Disciples, Sanskrit Studies, monthly Kirtan and other activities that support our spiritual unfolding, psychological growth, and health and well-being. We can all support the center by attending these programs and activities that support our own spiritual evolution. It couldn’t be a more perfect give and take!

Even a moment in the physical presence of the Guru is of inestimable value. If you can be physically present at an event with Anandi Ma, that would clearly be best. But if this is just not possible, participating in a webcast is next best! Below is a list of events that will include a webcast to local DYC meditation groups in 2012. Other events will likely be added. Watch for Shakti On-Line announcements and e-bulletins.

Individual webcasts may also be arranged for those who are homebound or live too far from a meditation group. If you wish to receive a webcast via your home computer, please contact Gopal Chauhan at gsc999@gmail.com

The cost for individual webcasts for the events listed below is $11 for each event. For more information, contact Gopal.

REGISTRATION & EVENT GUIDELINES

Important! Please make note of the Registrar for each event and the Registration Deadline. Payment for events can be made by phone or by mail.

Late Registration Fees apply when your registration deposit (at least 50% of the total cost) is not received by the registration deadline. Late registrations result in higher costs and higher stress for those doing seva. As a result, payment of late registration fees is required and non-negotiable. The late fee amount varies depending on the cost of the event, as follows:

- Event cost of $121 or less: $25 late registration fee.
- Event cost greater than $121 but less than $252: $50 late registration fee.
- Event cost of $252 or greater: $100 late registration fee.

Late Cancellation Fee is 20% of the total cost of an event and applies when the registrar is notified of a cancellation less than one week prior to an event.

Discounts:
Seniors (ages 60 and older): 10% off any retreat
Children ages 4-16 $100 off of any retreat
Children 16 and under who are receiving the teachings at a VP retreat: 50% off total cost of retreat

BY DONATION EVENTS: Anandi Ma and Dileepji feel strongly about offering a number of events each year “by donation”. Events that are “by donation” are still funded through donations so a suggested donation is given; however, more, less or nothing, depending on one’s capacity, is acceptable.

LODGING: Fees for lodging vary depending on the location of the event. Please contact the registrar for specific information.

MEALS: Wholesome, sattvic (pure) vegetarian meals are served at retreats (as well as many other events). If you have a medical condition that requires a modified diet, please contact the registrar at least two weeks prior to the event.

VIDEO, AUDIO & PHOTOGRAPHY POLICY: Only authorized persons can record audio or video at Dhyanyoga Centers programs. Still photographs can only be taken for personal use. No public dissemination is allowed.
